Interment of Ashes

King Edward Memorial
Hospital Memorial Garden

A service of love and remembrance

We hold an inclusive monthly service at King Edward Memorial Hospital to lay to rest the ashes of babies up to 28 weeks gestation.

This is a time to honour precious lives and the love behind each loss. Babies' ashes rest in our sacred garden - a peaceful place filled with greenery and flowers, created for families to find comfort and connection.

We invite parents, family and friends, and all who wish to share this moment of care and support. If you would like a baby's name read during the service, please let us know in advance.

Phone: (08) 6458 1726 or (08) 6458 1036.

The next Interment of Ashes service will be held in the Memorial Garden at 12.30pm on Thursday

Date:

and will take approximately 30 minutes.

After the service

You are invited to place flowers in the garden after the service, or at any time you would like to visit.

The names of babies laid to rest are recorded in a confidential register, lovingly and carefully maintained by our pastoral care team to ensure every life is remembered with dignity.

Support for you

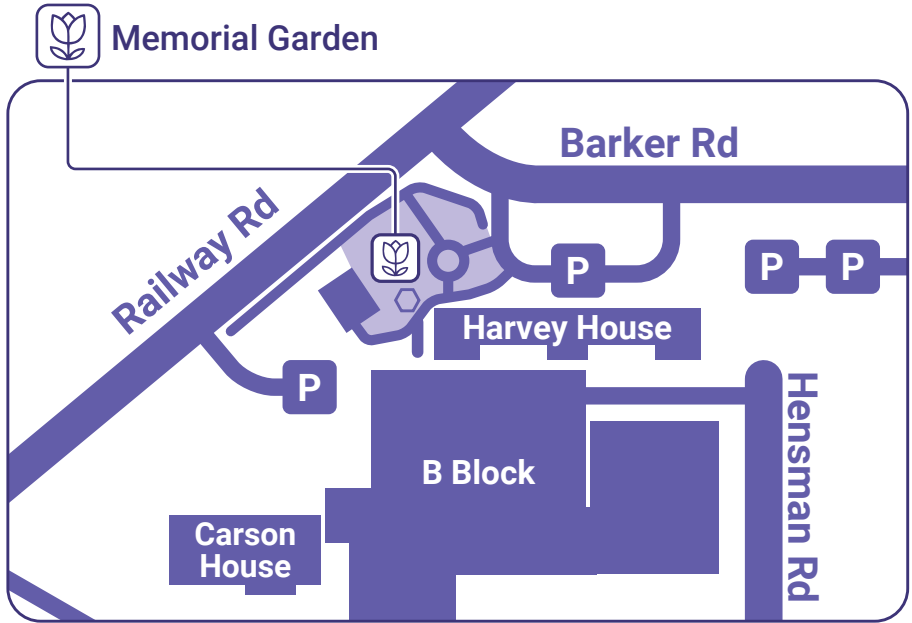

We know this is a difficult time for you and your family. Many families have shared that attending this service has brought comfort and has been a meaningful step in their healing journey.

If you need additional support, our pastoral care team is here to walk alongside you. We can connect you with counselling services, grief support groups and other resources to help you through this time. Please don't hesitate to reach out. We are here for you.

Our memorial garden is open every day. Please visit whenever you feel ready. For ongoing support and shared understanding, we invite you to connect with others through our Facebook community. Please scan the QR code for more information.
